

Equipment Technical Bulletin

Protocol Converter Modem

REASON / BACKGROUND

New U.S. Robotics modem model now supported for use with ManageNet.

SOLUTION / ACTION

Beta has now tested and supports the globally-available U.S. Robotics 5686 external modem (56K V.92 external PC fax modem). The U.S. Robotics 5686 external modem configures exactly the same as the previous USR modems (Courier V.everything, External Modem, 56K Voice Fax modem). All consumer U.S. Robotics modems use the same command string, so choose any modem in the Modem Configuration Utility.
